The Ardbrae Ball will be held on Saturday 29 January 2011. Would you consider hosting an out-of-town guest in your home? (This would involve meeting him or her at the Welcome Dance, offering a place to sleep on Friday and Saturday night, and providing breakfast on Saturday morning.) If you check the box below, you will not be making a firm commitment, but you may be contacted in December by the hospitality coordinator.

I would be willing to consider providing hospitality for an out-of-town guest for the 2011 Ball.

I would like to become involved in Ardbrae in some other way – basic class representative on council, publicity assistant, newsletter editor, ball welcoming committee or decorating committee, ball brunch assistant, ball welcome dance coordinator, ball set-up/break down assistant (circle one or more, or suggest a position of your own!

I'd like to make a suggestion on how Ardbrae could improve its classes/socials/annual ball. Please see my comments written on the verso of this form.
